

## **Website Accessibility Statement**

We are committed to facilitating the accessibility and usability of all of its digital properties, including our website for all people with disabilities. We are in the process of implementing the relevant portions of the World Wide Web Consortium's Web Content Accessibility Guidelines 2.0 Level AA (WCAG 2.0 AA) as its web accessibility standard. Our website will be tested on a periodic basis with assistive technology such as screen readers and screen magnifiers, and with users with disabilities who use these technologies.

Please be aware that our efforts are ongoing. If at any time you have specific questions or concerns about the accessibility of any particular web page owned our company, please contact us directly. If you do encounter an accessibility issue, please be sure to specify the web page in your email, and we will make all reasonable efforts to make that page accessible for you.
